Thrive 2

Aimee Hallett

Autumn 2

## English

We are focusing on our reading and interpretation skills.

## Maths

We are covering Fractions, Decimals and Percentages.

## Science

We are exploring optical difficulties and patterns within data.

## Humanities

In History, we are researching Monarchies. In Geography, we are looking at Environmental Concerns.

# Classroom Newsletter

## PSHE

We are working on creating and emotional wellbeing campaign to hold within school.

## RE

We are identifying how communities are affected by global warming, including renewable energy.

## Art

We are going foraging to create autumnal art pieces and focusing on seasonal transitions.

## Sport

We are developing our knowledge of rules within football and creating our own version of the game.

## Careers

We are discussing focusing on next steps after school with visits to local colleges

## D.E.A.R

We are focusing on fiction novels this term in relation to Greek and Mythical adventures.
